

**“Happiness Comes To Only Those
Who Learn To Appreciate What They Already Have”**

Newsletter for the month of June ‘10

Dear Parents,

Greetings to you all from DPS, Bangalore (East).

I am sure the long summer break has rejuvenated all of you as a family & you are looking forward to the start of the new academic year as much as we do. During the break, we have focused on **bettering our already high class infrastructure**. You will be happy to note that we now have a new Cafeteria, Book Store, Uniform Store & a Sports Complex that is nearing completion for housing independent courts for Squash, Tennis & Basket Ball as well as for Indoor Games such as Chess, Carrom, Billiards & Table Tennis. In addition to this, the Mural Paintings at our kindergarten play area, our upgraded Computer, Science & Math Labs, Library as well as our Swimming Pool are a ‘must see’ & I invite you to take a look at these whenever you are at DPS East.

As in the past, the **Class-wise Newsletters** will be uploaded on Lyceum. These will give you at the beginning of every month, a clear picture of the syllabus that will be covered in that particular month as well as the various activities planned during the month.

I would also like to remind you to go through the **Almanac to understand the ethos of our school** as well as our requirements so as to make the schooling years happy & memorable for your children schooling with us. While doing so, I would also request you to ensure that your child is well briefed & abides by all our rules & regulations. Besides others, please inculcate in your child the importance on personal grooming which will go a long way in strengthening what we do at school. For instance, since a child wearing our school uniform represents our school, it is imperative that he or she is dressed with well washed & smartly ironed uniforms with hair styles that match the requirement of a ‘student’. Please also make sure that the tie-knot is in its place & not hanging loose.

Please note that taking up the **ASSET Exam** is compulsory from Std III to X. While many of you have already made the payment before close of the last session, I urge those who have not yet made the payment, to do so by getting in touch with the Class Teacher & enrolling the names.

As in the past, I look forward to your whole hearted co-operation & support in all that we do at DPS East. I am sure together, we can make a “lot of good things to happen” during these formative schooling years of your children at DPS East.

With warm regards,

Manila Carvalho
Headmistress`
